DESCRIPTION:	30m FIRE HOSE KITS 25MM & 38MM BSP / STORZ WITH NOZZLE
CATEGORY:	BUSHFIRE EQUIPMENT
REVISION DATE:	02 SEPTEMBER 2020

GENERAL: Australia Wide Fire Supplies offer a range of premium quality fire hose kits designed to assist in property protection from bushfires and for rural fire fighting operations. Our kits come pre-assembled with a variety of coupling sizes and types to suit most common domestic / rural fire fighting pump outlets.

FIRE HOSE KITS 30m WITH BRASS BSP COUPLINGS:

Our fire hose kits are available in two different BSP Coupling sizes , 25mm (1") and 38mm (1.5") which are the most commonly found outlet sizes/thread types for most domestic & rural fire fighting pumps.

KEY FEATURES:

- Our Brass BSP couplings are full brass construction including full brass hose tail for durability
- Coupling lugs on 38mm couplings ensure tool free connectivity whilst the lug/nut arrangement on the 25mm size coupling allows tool free connectivity once nozzle is attached
- Internal coupling washers are "Captive" meaning no missing washer when needed the most
- Quality hose material meets international approvals
- Hose attached to couplings using double bandit-clamp type clamps and protective sheath for ease of repair
- Supplied with triple purpose Jet, Spray, Fog PVC nozzle
- All fire hose kits are supplied with hose strap and heavy duty poly storage bag
- Multiple hoses can be joined together for additional reach

FIRE HOSE KITS 30m WITH STORZ COUPLINGS:

Our fire hose kits are available in two different STORZ Coupling sizes , 25mm (1") and 38mm (1.5") which are the most common sizes used in rural fire fighting operations. Fire Hose Kits with STORZ type couplings include only quality forged European manufactured couplings and nozzle adaptors as recommended by several fire fighting agencies. This also ensures inter-connectivity with fire fighting agency Storz equipment when available.

KEY FEATURES:

- Storz Type Alloy Couplings with genuine forged and compliant coupling face
- Quality hose material meets international approvals
- Hose attached to couplings using bandit-clamp type clamps and protective sheath for ease of repair
- Supplied with triple purpose Jet, Spray, Fog PVC nozzle fitted with corresponding size alloy Storz adaptor
- All fire hose kits are supplied with hose strap and heavy duty poly storage bag
- Multiple hoses can be joined together for additional reach
